

# My Grandma's of New England®

## Our Story

My Grandma's of New England started a sensation in 1990 with Grandma's old family recipe in a 250 square foot bakery, offering the finest coffee cakes available.

Today, My Grandma's continues to grow, baking many varieties by hand six days a week. My Grandma's can send a freshly baked coffee cake to a friend, family member, or business colleague, with a personalized gift message, to arrive as early as the next business day. Standard shipping is 2-4 business days.

When you serve My Grandma's Coffee Cakes to your guests, let them know that they are tasting the same cake that was served at the Plaza Hotel in New York City's Tea Room for \$8.00 a slice, The Vatican, The Major League Baseball All-Star Game, The Ryder Cup, and The US Tennis Open. Recently, My Grandma's was featured in *People Magazine's* Gift Guide, recommended by Kathie Lee Gifford, and mentioned as a great Hostess Gift on the *Today Show* and the *Living Well Network*. My Grandma's has been proudly partnering with QVC, for several years, creating exclusive cake flavors and special cake combinations.
