GIFT
SHOP

HOW IT WORKS:

We are the nation's leading school holiday shoppe provider. Our shoppe is a place where students can experience the joy of giving. Not only is it a lesson in generosity, but also teaches students how to budget and handle money. Students can shop in secret to surprise their family on that special holiday! You schedule the volunteers, we will take care of the rest!

Quality Products

- Products are fully tested for heavy metals and phthalates and meet the new safety standards for children's gifts. CPSIA compliant.
- Want to sell something we don't provide? No problem! Many groups love selling items like hot chocolate to make the shoppe that much more festive. You can easily add an item to our Cash Register App. You make 100% profit on these items!

Easy to Implement

- FREE digital cash register app (Apple, Android & web) makes it easy for volunteers to check out.
- We provide it all... Envelopes, flyers, posters, banners, shopping bags, tablecloths, price stickers, elf aprons and more.
- We give you a detailed Step-by-Step How-to Guide.
- Choose your profit % or run as a service with the lowest prices.
- Quick and easy re-orders.
- Go cashless with gift card purchasing option.
- IOU functionality option.
- No inventory or counting! We send out inventory based on school enrollment, prior shoppe history, etc.
- Whatever doesn't sell, simply ship back to us. We'll provide the return labels at no charge.
- Detailed reports make accounting EASY.
- Customer service team standing by to help.

Cutting-Edge Technology

- Our cutting-edge technology is designed to simplify your life while increasing your sales. With 25+ years in the school services game, we've mastered the art of easy-peasy, risk-free fun for students and volunteers alike!
